

CNC Precision Milling Custom Machined Aluminum Shell Parts Nickel Plated

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xiange
- Certification: ISO9001:2015
- Model Number: AL-CNC-002
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers' requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000 pcs per week

Product Specification

- Cnc Machining Or Not: CNC Machining
- Micro Machining Or Not: Micro Machining
- Material: Aluminum 6061, 6063, 7075, Etc
- Surface Treatment: Anodized, Anodizing, Anodize/natural, Sandblast, Silk-screen
- Application: Machinery, Automotive, Laptop, Industrial Equipment, Engineering
- Tolerance: 0.01mm, 0.05 Mm, +/-0.005, 0.003-0.05mm
- Size: Custom Drawing
- Sample: Acceptable
- Highlight: custom machined aluminum parts Nickel plated, CNC Precision Milling custom machined aluminum parts, Aluminum Shell Parts Nickel plated

Product Description

Aluminum Shell Parts Customized CNC Machined Parts China Factory Supplier For CNC Precision Milling

What We Can Provide

Service

Xiange Technology provides with comprehensive one-stop hardware products solutions from designing, 3D file drawing, material choice, cost accounting, processing, inspection, assembly, packing, delivery, and other services.

We are one of the best manufacturers of CNC machining and metal sheet fabrication in China. Mostly 3D printing parts, CNC Machined parts, CNC turning parts, CNC milling parts, automatic lathe parts, stamping parts and metal sheet fabrication.

We have professional quality control team, and we have got ISO9001:2005 certification. We could guaranteed the product quality and your satisfaction.

Material	Aluminum 6061/6063/7075, Aluminum alloy, Zinc alloy, Brass, Copper, Bronze, Steel, Stainless steel, Steel alloy, etc
Maximum Diameter	30mm, According to customers' drawing
Tolerance	+/- 0.01mm, +/- 0.005mm, +/- 0.001mm
Size	Accept Customized
Type	Milling, Turning, Drilling
Surface Treatment	Heat treatment, Anodized, Polish, Coating, Plating
Process	CNC machined parts, Turning, Milling parts etc.
Certification	ISO9001:2005
Finish	Anodizing, Nickel plated, Zinc plated, Polishing etc,
Application	Automotive, Drone, Medical, Motor, Industrial, Automobile
Service	OEM service

Aluminum	Stainless steel	Steel	Brass/Copper	Plastic
Clear anodized	Polish	Zinc plating	Polish	Painting
Color anodized	Passivation	Black oxidation	Passivating	Polishing
Painting	Sandblasting	Nickel plating	Galvanized	Laser engraving
Brush	Laser engraving	Chrome plating	Plating	
Polish		Powder coating	Chrome plated	
Chrome plating				

Advantages

1. Quality control: the defective products rate is 0.1%. Imported material 100%.
2. Reasonable price. Precision made. Experience & reasonable QC that you can rely on.
3. Each part would be given 100% test and tryout before shipment.
4. Adequate supply capacity. Punctual delivery time.

Product Category

CNC Brass Parts

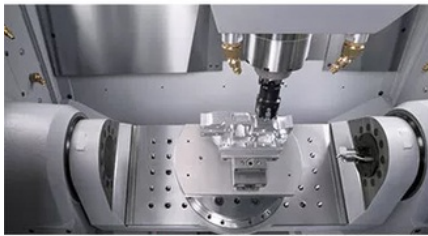

CNC SS Parts

CNC Aluminum Parts

Why Choose Us

High Precision

5-Axis CNC & Imported machines
with accuracy $\pm 0.02-0.10\text{mm}$

Fast Lead Time

Multiple CNC machines, skillful
workers, guarantee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

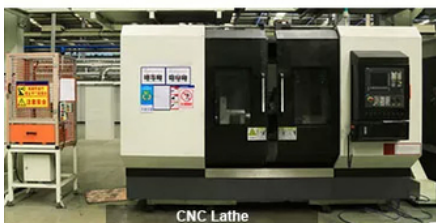

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

FAQ

Q: How can I customize my products ?

A: Please describe your project. Include the following information so that we can provide an accurate quote: Part Name, 3D CAD Drawing, Quantity, Material, Color, Finishing.

Q: How can I know my products going on ?

A: We will offer a detailed production schedule and send weekly reports with digital pictures and videos which show the production process.

Q: Can You sign a confidentiality greement ?

A: We can sign a confidentiality agreement according to your needs.

Q: What is your terms of payment ?

A: 30% in advance ,70% balance before shipment. Other terms negotiable.

Q: Are you a trading company or factory?

A: We are direct factory with 20 experienced engineers and more than 80 employees as well approximate 3,000 square meters workshop area.

Q: What shall we do if we do not have drawings?

A: Please send your sample to our factory,then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions(Length,Hight,Width),CAD or 3D file will be made for you if placed order.
