

Turning Machining CNC Milling Parts Stainless Steel Service Metal Components

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xiange
- Certification: ISO9001:2015
- Model Number: ML-CNC-025
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers' packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000 pcs per week

Product Specification

- Cnc Machining Or Not: CNC Machining
- Type: Milling, Turning, Machining
- Material Capabilities: Copper, Aluminum, Bronze, Stainless Steel, Brass
- Surface Treatment: Anodizing, Brush, Anodized, Painting/Powder Coating/Sandblast/Color Anodize/Polish/Oxidation
- Service: Customized Machining
- Application: Machinery, Automotive, Laptop, Industrial Equipment, Engineering
- Process: CNC Milling, Turning, Turning/Milling/Grinding/Machining, Anodized, Drilling/bending/milling/turning/laser Machining
- Product Name: CNC Processing Service Manufacturer
Stainless Steel CNC Turning Machining CNC Milling Parts Service Metal Components

Product Description

What We Can Provide

CNC Processing Service Manufacturer Stainless Steel CNC Turning Machining CNC Milling Parts Service Metal Components

Xiange Technology is a precision engineering manufacturer specializing in processing high-quality machining accessories in several materials, utilizing the CNC milling, CNC turning, Swiss type machining, sheet metal fabrication, injection molding, laser cutting, stamping and bending technology.

We produces an wide range of products that apply to different industries. Like aerospace, architectural, electric device, automotive, machinery, medical, etc.

We have an skillful engineering team with ISO9001 quality system and standard operation procedure could evaluate and price all your requirements. Always for high quality for customers.

Specifications

- 1.OEM & ODM
- 2.Item Name: **CNC Processing Service Manufacturer Stainless Steel CNC Turning Machining CNC Milling Parts Service Metal Components**
- 3.Available Materials: Stainless Steel,Steel,Aluminum,Brass,Copper,Wooden Etc
- 4.Processing Service: 3 4 5 6 Axis CNC Machining Service , CNC Turning Service,CNC Milling Service And Other Mold Processing Service
- 5.High Quality: Various Testing Equipment To Ensure The Quality
- 6.Competitive Price: Different Processing Combination Can Be Used To Reduce Costing
- 7.Other Products: CNC Machining Parts,CNC Milling Parts,Machining Lathe Parts,Metal Stamping Parts,Rivets Etc
- 8.Large Quantity Production Capacity
- 9.Short Delivery Time
- 10.RoHS Compliant For All Our **CNC Processing Service Manufacturer Stainless Steel CNC Turning Machining CNC Milling Parts Service Metal Components**

Product Material	1) AL1060, AL6061, AL6061, AL5052 etc. 2) Steel, mild steel, SS201, SS303, SS304, SS316, SS316L etc. 3) Brass, Copper 4) ABS, PP, PE, PC, POM
Surface Treatment	Anodized, powder coating, lacquer coating, black oxide, printing, matte, glossy, textured
Size	According to customers' drawings
Drawing Format	STEP,STP, DWG, IGS,IGES,PDF
Our Advantage	1)Full Service,From all your prototypes,rapid tooling and low-volume manufacturing to finishing/assembly, 2)Competitive Price,Our price will be 50%-60% cost lower compared to western prices. we supply parts short lead- time, excellent quality and low cost. 3)Quality Guarantee,100% QC inspection before delivery, we can provide inspection form.
Certificates	ISO 9001:2015 & IATF 16949
Payment Term	T/T, WestUnion, MoneyGram

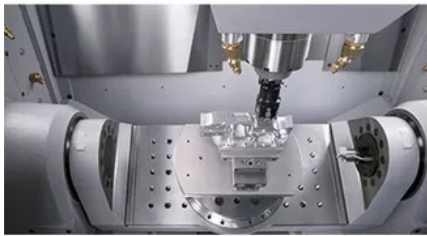

Product Category

Why Choose Us

Advantages

1. Quality control: the defective products rate is 0.1%. Imported material 100%.
2. Reasonable price. Precision made. Experience & reasonable QC that you can rely on.
3. Each part would be given 100% test and tryout before shipment.
4. Adequate supply capacity. Punctual delivery time.

High Precision

5-Axis CNC & Imported machines
with accuracy $\pm 0.02-0.10\text{mm}$

Fast Lead Time

Multiple CNC machines, skillful
workers, guarantee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

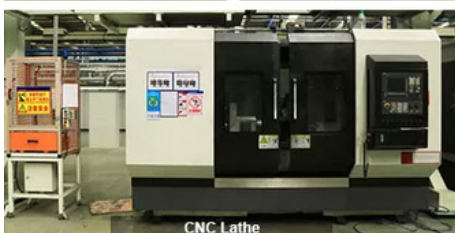

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

FAQ

Q: How can I customize my products ?

A: Please describe your project. Include the following information so that we can provide an accurate quote: Part Name, 3D CAD Drawing, Quantity, Material, Color, Finishing.

Q: How can I know my products going on ?

A: We will offer a detailed production schedule and send weekly reports with digital pictures and videos which show the production process.

Q: Can You sign a confidentiality greement ?

A: We can sign a confidentiality agreement according to your needs.

Q: What is your terms of payment ?

A: 30% in advance ,70% balance before shipment. Other terms negotiable.

Q: Are you a trading company or factory?

A: We are direct factory with 20 experienced engineers and more than 80 employees as well approximate 3,000 square meters workshop area.

Q: What shall we do if we do not have drawings?

A: Please send your sample to our factory,then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions(Length,Height,Width),CAD or 3D file will be made for you if placed order.
