

Oem / Odm 5052 Custom Aluminum Parts High Precision

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xiange
- Certification: ISO9001:2015
- Model Number: AL-CNC-027
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000 pcs per week

Product Specification

- Cnc Machining Or Not: CNC Machining
- Material Capabilities: Copper, Aluminum, Bronze, Stainless Steel, Brass
- Surface Treatment: Anodized, Anodizing, Anodize/natural, Sandblast, Silk-screen
- Application: Machinery, Automotive, Laptop, Industrial Equipment, Engineering
- Keyword: OEM/ODM High Precision Aluminum CNC Machining Parts Aluminum 5 Axis Cnc Machining Parts
- Tolerance: 0.01mm, 0.05 Mm, +/-0.005, 0.003-0.05mm
- Sample: Acceptable
- Highlight: **odm high precision custom aluminum parts , 5052 cnc machined aluminum parts, 5052 custom aluminum parts**

Product Description

What We Can Provide

OEM/ODM High Precision Aluminum CNC Machining Parts Aluminum 5 Axis Cnc Machining Parts

Description Of Aluminum CNC Machining Parts

CNC machining is a subtractive manufacturing process. First, a piece of metal or plastic material is machining through a machine, which we call CNC machining center. The machine uses various sharp rotating tools or knives to remove excess materials and cut or form the required products. This is a complex process. The rotation speed of the machine spindle, the cutting depth, the forward speed of the tool, etc. all these will affect the quality of the machined parts.

Specification Of Aluminum CNC Machining Parts

Material	Aluminum, Aluminum Alloy 5052/1015/6061/6063/7075 etc.
Place Original	Shenzhen, China
Surface Treatment	Zinc plating/Nickel plating/ Chrome plating/Ion nitriding/ Painting/Powder Coating/Sandblast/Color Anodize/Polish
Drawing Format	PDF/DWG/DXF/IGS/STP etc.
Samples Shipment	DHL, FEDEX, UPS, TNT
Payment	T/T, PayPal, Westunion
Equipments	CNC Machining Center, CNC lathe, CNC turning, milling
Tolerance	+/- 0.005mm
OEM/ODM	Accepted
Experience	20+ years
Application	Industrial equipment spare parts, ships, aircraft, automation
Samples Leading Time	5 days

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Application Of Aluminum CNC Machining Parts

1. Auto Components Hardware Parts Auto Parts
2. Communication Equipment
3. Industrial Equipment
4. Medical EquipmentsMechanical Parts
5. Ship Accessories
6. Electrical Equipment
7. Mechanical Equipment

Why Choose Us

Competitive Advantage

1. Small details make big difference. We promise:All the parts from our company have no sharp edge. All dimensions are controlled according to your drawings. Every product will be fully inspected and carefully packed to prevent the bump and rust in transit .
2. The craftsmanship of all parts we machined is controlled rigorously, Every product has its own process card and process chart.
3. Our quality inspection procedure is quite strict.it must self-inspected during production, we have flow inspectors and professional inspectors.
4. Each size of product must be tested one by one after completing production and provide quality report.
5. The most important point, we are the entity factory, not trading company. Price is the composition of the actual product quality price. Quality can guarantee more controllable higher than trading company. The price is competitive, at least reducing the trade company's service fee.

6. We have many years of export experience, exports to the US, Europe, Japan and other countries and regions.

7. Our team are more professional. We have more reasonable price and better quality controlling than trade company. And our language ability is also diversified.

FAQ

Q: How can I customize my products ?

A: Please describe your project. Include the following information so that we can provide an accurate quote: Part Name, 3D CAD Drawing, Quantity, Material, Color, Finishing.

Q: How can I know my products going on ?

A: We will offer a detailed production schedule and send weekly reports with digital pictures and videos which show the production process.

Q: Can You sign a confidentiality greement ?

A: We can sign a confidentiality agreement according to your needs.

Q: What is your terms of payment ?

A: 30% in advance ,70% balance before shipment. Other terms negotiable.

Q: Are you a trading company or factory?

A: We are direct factory with 20 experienced engineers and more than 80 employees as well approximate 3,000 square meters workshop area.

Q: What shall we do if we do not have drawings?

A: Please send your sample to our factory,then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions(Length,Hight,Width),CAD or 3D file will be made for you if placed order.
