

## Stainless Steel Shelf Custom Metal Brackets Stamping Bending Parts

Our Product Introduction

for more products please visit us on [cnc-metalmachining.com](http://cnc-metalmachining.com)

### Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xiange
- Certification: ISO9001:2015
- Model Number: MB-ST-026
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

### Product Specification

- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto,motorcycle,industry,ariculture,furniture,e
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Supply Service: OEM Service
- Color: Black, Silver, Customized Color
- Products Name: Metal Bracket Components
- Highlight: **Stainless Steel Shelf Custom Metal Brackets, Stamping Bending Custom Metal Brackets, Shelf Brackets Metal Sheet Stamping**

## Product Description

### Stainless Steel Shelf Custom Metal Brackets Stamping Bending Parts

#### Metal Sheet Stamping Bending Parts Furniture Usage Stainless Steel Shelf Bracket

##### Description Of Stainless Steel Shelf Bracket

A stainless steel shelf bracket is a hardware component used to support shelves in various applications, both residential and commercial. It is specifically designed to provide sturdy and durable support for shelving units.

Stainless steel is the primary material used in the construction of the shelf bracket. Stainless steel is chosen for its exceptional strength, corrosion resistance, and aesthetic appeal. It is known for its durability and ability to withstand harsh environments, making it suitable for both indoor and outdoor applications.

##### Specification Of Stainless Steel Shelf Bracket

Product Name	Stainless Steel Shelf Bracket
Material	Stainless Steel 301/303/304/316/316L etc.
Surface treatment	Painting Powder Coating Plating Polishing
Standard	High Precision Non-standard
Quality Control	Professional Inspection
Service	Customize ODM OEM
Certification	ISO9001:2015

##### Application Of Stainless Steel Shelf Bracket

1. Auto Components Hardware Parts Auto Parts
2. Communication Equipment
3. Industrial Equipment
4. Medical Equipments Mechanical Parts
5. Ship Accessories
6. Electrical Equipment
7. Mechanical Equipment

##### Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control ( IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

## Why Choose Us

### Our Advantages

1. Small details make big difference. We promise: All the parts from our company have no sharp edge. All dimensions are controlled according to your drawings. Every product will be fully inspected and carefully packed to prevent the bump and rust in transit.
2. The craftsmanship of all parts we machined is controlled rigorously, Every product has its own process card and process chart.
3. Our quality inspection procedure is quite strict. It must self-inspected during production, we have flow inspectors and professional inspectors.
4. Each size of product must be tested one by one after completing production and provide quality report.
5. The most important point, we are the entity factory, not trading company. Price is the composition of the actual product quality price. Quality can guarantee more controllable higher than trading company. The price is competitive, at least reducing the trade company's service fee.
6. We have many years of export experience, exports to the US, Europe, Japan and other countries and regions.

## Multiple Machines

5-Axis CNC machines, Professional machines, skillful workers, advanced processes, skillful workers, and fast lead time guarantee the quality and lead time.

## Strictly Confidential

We will protect the customers' design and the customer can request a confidentiality agreement

## Quality Inspection

We have a strict quality inspection process to ensure the quality of our products

## FAQ

1. How can I get the price? - We usually quote within 24 hours after we get your inquiry (except weekend and holidays). If you are urgent to get the price, please email us or contact us in other ways so that we can offer you a quote.
2. Can I buy samples? - Yes. Please feel free to contact us.
3. What is your lead time? - It depends on the order quantity and the season you place the order. Usually we can ship within 7-15 days for small quantity, and about 30 days for large quantity.
4. What is your payment term? - T/T, Western Union, MoneyGram, and Paypal. This is negotiable.
5. What is the shipping method? - It could be shipped by sea, by air, or by express (EMS, UPS, DHL, TNT, FEDEX etc). Please confirm with us before placing orders.
6. How do you make our business long-term and good relationship? - We keep good quality and competitive price to ensure our customers benefit. Furthermore, we respect every customer as our friend and we sincerely do business and make friends with them, no matter where they come from.
