

Aluminum Precision Sheet Metal Fabrication Customized OEM Sheet Metal Precision Stamping Components

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xiange
- Certification: ISO9001:2015
- Model Number: PMS-XG-036
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers' packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

Product Specification

- Material: Copper, Stainless Steel, Aluminum, Brass, Etc.
- Surface Treatment: Hot Galvanized, Zinc Plating, Nickel Plating, Powder Plating, Anodize
- Process: Stamping, Punching, Bending, Punching Of Stamping Blanks, Stamping + CNC
- Application: Construction, Industrial, Used Widely Industry Auto, Mechanical Equipment, Auto Parts
- Service: OEM/ODM, OEM ODM Metal Stamping, Customized OEM OEM ODM, OEM Service
- Tolerance: 0.01mm, 0.05 Mm, +/-0.005, 0.003-0.05mm
- Oem: Available
- Quality: ISO9001
- Keywords: Custom Stamping Metal
- Packing: As Customers' Requirement
- Highlight: **Aluminum Precision Sheet Metal Fabrication,**

Product Description

What We Can Provide

Aluminum Precision Sheet Metal Fabrication Customized OEM Sheet Metal Precision Stamping Components

Description of OEM Metal Stamping Parts Precision Stamping Components

"OEM Metal Stamping Parts Precision Stamping Components" refers to a specialized manufacturing service that produces custom metal parts with high accuracy through stamping processes. These components are designed to meet the specific needs of original equipment manufacturers (OEMs) across various industries.

Custom Manufacturing:

Tailored Solutions: Creating metal stamping parts that are specifically designed to meet the unique specifications and requirements of OEM clients.

Collaborative Development: Working closely with clients to ensure that the parts fit seamlessly into their products and systems.

Precision Stamping:

Advanced Stamping Techniques: Utilizing state-of-the-art stamping equipment to produce parts with high precision and consistency.

Complex Designs: Capable of manufacturing components with intricate shapes and detailed features, maintaining tight tolerances.

Specification of OEM Metal Stamping Parts Precision Stamping Components

Product Name	OEM Metal Stamping Parts
Material	Carbon steel/aluminum/brass/stainless steel
Color	Customized
Processing	Laser cutting/CNC Punching/CNC Bending/Welding/Painting/Assembly
Surface treatment	Power coating, zinc plated, Polishing, Plating, Brush, Skill-screen etc.
Drawing Format	CAD, PDF, SOLIDworks etc.
Certification	ISO9001: 2015
Quality Inspection	pin gauge, caliper gauge, drop off test, vibration test, product lifecycle test, salt spray test, projector, coordinate measuring machine calipers, micro caliper, thread micro caliper, pass meter, pass meter etc.

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Application Of OEM Metal Stamping Parts Precision Stamping Components

1. Auto Components Hardware Parts Auto Parts
2. Communication Equipment
3. Industrial Equipment
4. Medical EquipmentsMechanical Parts
5. Ship Accessories
6. Electrical Equipment
7. Mechanical Equipment

Why Choose Us

Our Advantages

1. Small details make big difference. We promise:All the parts from our company have no sharp edge. All dimensions are controlled according to your drawings. Every product will be fully inspected and carefully packed to prevent the bump and rust in transit.
2. The craftsmanship of all parts we machined is controlled rigorously, Every product has its own process card and process chart.
3. Our quality inspection procedure is quite strict.it must self-inspected during production, we have flow inspectors and professional inspectors.
4. Each size of product must be tested one by one after completing production and provide quality report.

5. The most important point, we are the entity factory, not trading company. Price is the composition of the actual product quality price. Quality can guarantee more controllable higher than trading company. The price is competitive, at least reducing the trade company's service fee.

6. We have many years of export experience, exports to the US, Europe, Japan and other countries and regions.

Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful
with accuracy at guarantee the quality and lead time. entee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

Stainless Steel Material

Material:

Stainless Steel 201
Stainless Steel 430
Stainless Steel 304
Stainless Steel 316

Finish:

Mirror Polishing
Brush Polishing
Electro Polishing
Vibration Polishing

FAQ

1. How can I get the price? - We usually quote within 24 hours after we get your inquiry (except weekend and holidays). If you are urgent to get the price, please email us or contact us in other ways so that we can offer you a quote.
2. Can I buy samples? - Yes. Please feel free to contact us.
3. What is your lead time? - It depends on the order quantity and the season you place the order. Usually we can ship within 7-15 days for small quantity, and about 30 days for large quantity.
4. What is your payment term? - T/T, Western Union, MoneyGram, and Paypal. This is negotiable.
5. What is the shipping method? - It could be shipped by sea, by air, or by express (EMS, UPS, DHL, TNT, FEDEX etc). Please confirm with us before placing orders.
6. How do you make our business long-term and good relationship? - We keep good quality and competitive price to ensure our customers benefit. Furthermore, we respect every customer as our friend and we sincerely do business and make friends with them, no matter where they come from.
