

CNC Bending Sheet Metal Shell Aircraft CNC Sheet Metal Fabrication Parts

Basic Information

- Place of Origin:
- Brand Name:
- Certification:
- Model Number:
- Minimum Order Quantity: 1 pcs
- Price:
- Packaging Details:
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram

China

Xiange

MF-XG-14

USD 1\$-2\$

Carton Wooden case

ISO 9001:2015 SGS RoHS

Supply Ability: 10 SET per week

Product Specification

| Material Capabilities: | Stainless Steel, Aluminium, Copper, Brass |
|--|--|
| Products: | Metal Eauipment Shell |
| • Process: | Metal Sheets Fabrication,Welding Cutting Punching Stamping |
| Application: | Electronic Equipment Sheet Metal Shell ,Custom Control Box Cabinet Chassis Shell |
| • OEM/ODM: | Acceptable |
| Equipment: | Precision Nonstandard Parts |
| Surface Treatment: | Powder Coated, Hot Galvanized, Painting, Polishing, Spray Coating, Brushing, Cataphoresis, Sandblasting, Electroplate Chrome/Zinc/Nickel Plating/Anodize/Electronic Polish, Silk- screen Etc; |
| • Package: | Platic Bag ,Blister Box ,Tap Reel Or As Your Required |
| • Used: | Computer, Telecom, mechical , electronics, appliance, military, aerospace. |
| | |

What We Can Provide

Sheet Metal Product CNC Bending Sheet Metal Processing CNC Sheet Metal Aircraft Sheet Metal Fabrication

Description of High Precision OEM Bending Aircraft Sheet Metal Fabrication

High Precision OEM Bending Aircraft Sheet Metal Fabrication involves the specialized manufacturing of metal components used in the aerospace industry. This process ensures that each part meets the stringent requirements for safety, durability, and performance demanded by aircraft applications.

Material Selection:

High-Grade Metals: Utilizing aerospace-grade materials such as aluminum alloys, titanium, and stainless steel for their strength-to-weight ratio and corrosion resistance.

Material Certification: Ensuring all materials meet aerospace industry standards and certifications.

Advanced Fabrication Processes:

Precision Cutting: Using high-precision cutting techniques such as laser cutting and water jet cutting to achieve accurate dimensions and complex shapes.

CNC Bending: Employing CNC bending machines to form metal sheets into precise angles and shapes, ensuring high repeatability and accuracy.

Forming and Shaping: Utilizing specialized forming techniques such as hydroforming and stretch forming to produce complex curved shapes required in aircraft parts.

Specification of High Precision OEM Bending Aircraft Sheet Metal Fabrication

| Product | Custom Sheet Metal Fabrication Laser Cutting Bending Sheet Metal Stamping Parts |
|----------------|--|
| Material | Stainless Steel, Carbon Steel(Q235), Aluminum(6061,6063, 5052), Copper, Brass etc. |
| Process | Bending, Stamping, Welding |
| Finish | Zinc Plating, Mirror Polished, Brush Polished, Paint, Anodic Oxidation, Powder Coated |
| Package | Plywood Box + Plywood Pallet, Plywood Box |
| OEM Service | Accept |

Quality Control

- 1. Checking the raw material after they reach our factory------ Incoming quality control (IQC)
- 2. Checking the details before the production line operated
- 3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
- 4. Checking the goods after they are finished---- Final quality control(FQC)
- 5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Application Of High Precision OEM Bending Aircraft Sheet Metal Fabrication

- 1. Auto Components Hardware Parts Auto Parts
- 2. Communication Equipment
- 3. Industrial Equipment
- 4. Medical EquipmentsMechanical Parts
- 5. Ship Accessories
- 6. Electrical Equipment
- 7. Mechanical Equipment

Why Choose Us

Our Advantages

1. Small details make big difference. We promise:All the parts from our company have no sharp edge. All dimensions are controlled according to your drawings. Every product will be fully inspected and carefully packed to prevent the bump and rust in transit.

2. The craftsmanship of all parts we machined is controlled rigorously, Every product has its own process card and process chart.

3. Our quality inspection procedure is quite strict.it must self-inspected during production, we have flow inspectors and professional inspectors.

4. Each size of product must be tested one by one after completing production and provide quality report.

5. The most important point, we are the entity factory, not trading company. Price is the composition of the actual product quality price. Quality can guarantee more controllable higher than trading company. The price is competitive, at least reducing

the trade company's service fee.

6. We have many years of export experience, exports to the US, Europe, Japan and other countries and regions.

7. Our team are more professional. We have more reasonable price and better quality controlling than trade company. And our language ability is also diversified.

Multipe Machines

Professional machines, skillful workers, guarantee the quality and lead time.

Strictly Confidential

We will protect the customers'design and the customer can request a confidentiality agreement

Quality Inspection

We have a strict quality inspection process to ensure the quality of our products

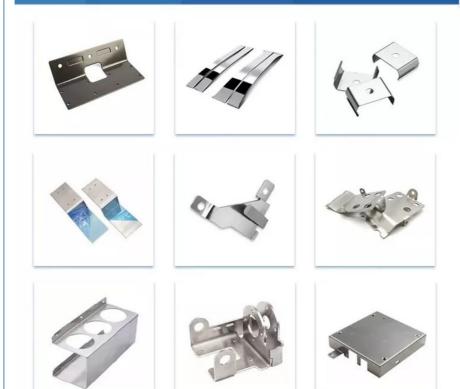

Stainless Steel Material

Material:

Stainless Steel 201 Stainless Steel 430 Stainless Steel 304 Stainless Steel 316

Finish:

Mirror Polishing Brush Polishing Electro Polishing Vibration Polishing

FAQ

1. How can I get the price? - We usually quote within 24 hours after we get your inquiry (except weekend and holidays). If you are urgent to get the price, please email us or contact us in other ways so that we can offer you a quote.

2. Can I buy samples? - Yes. Please feel free to contact us.

3. What is your lead time? - It depends on the order quantity and the season you place the order. Usually we can ship within 7-15 days for small quantity, and about 30 days for large quantity.

4. What is your payment term? - T/T, Western Union, MoneyGram, and Paypal. This is negotiable.

5. What is the shipping method? - It could be shipped by sea, by air, or by express (EMS, UPS, DHL, TNT, FEDEX etc). Please confirm with us before placing orders.

6. How do you make our business long-term and good relationship? - We keep good quality and competitive price to ensure our customers benefit. Furthermore, we respect every customer as our friend and we sincerely do business and make friends with them, no matter where they come from.
