

## Custom Sheet Metal Laser Cutting Bending Welding Service Sheet Metal Fabrication Bracket Manufacturer

### Our Product Introduction

for more products please visit us on [cnc-metalmachining.com](http://cnc-metalmachining.com)

#### Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xiange
- Certification: ISO9001:2015
- Model Number: MB-ST-037
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

#### Product Specification

- Supply Type: OEM Service
- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto,motorcycle,industry,ariculture,furniture,e
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Color: Black, Silver, Customized Color
- Place Of Origin: China
- Highlight: **Sheet Metal Fabrication Bracket,  
Metal Laser Cutting Bending Welding Service**

## Product Description

### What We Can Provide

Custom Sheet Metal Laser Cutting Bending Welding Service Sheet Metal Fabrication Bracket Manufacturer

#### Description Of Customized High Quality Sheet Metal Fabrication Metal Bracket Manufacturer

A Customized High-Quality Sheet Metal Fabrication Metal Bracket Manufacturer specializes in designing, cutting, bending, welding, and assembling metal brackets to precise specifications and requirements. These manufacturers utilize advanced equipment and techniques to create brackets that are tailored to meet the unique needs of their clients across various industries, such as automotive, aerospace, construction, electronics, and more.

**Design Capabilities:** The manufacturer possesses in-house design capabilities or works closely with clients to develop custom bracket designs based on engineering drawings, CAD files, or even rough sketches. They ensure that the design meets the necessary strength, durability, and functional requirements.

**Material Selection:** They offer a wide range of sheet metal materials to choose from, including stainless steel, aluminum, brass, copper, and mild steel, among others. The selection of material depends on the application's specific requirements, such as weight, corrosion resistance, and strength.

**Precision Fabrication:** Using state-of-the-art equipment like CNC (Computer Numerical Control) machines, laser cutters, press brakes, and welding robots, the manufacturer ensures precise cutting, bending, and forming of sheet metal into the desired bracket shape. This level of precision guarantees accurate fitment and optimal performance.

**Quality Control:** Strict quality control measures are in place throughout the manufacturing process to ensure that each bracket meets or exceeds industry standards and customer specifications. This includes inspections at various stages of production, as well as final testing to verify dimensional accuracy, structural integrity, and surface finish.

#### Material Of Customized High Quality Sheet Metal Fabrication Metal Bracket Manufacturer

Material	Stainless steel, Aluminum, Brass, Copper etc.
Process	Stamping, Deep drawing, Laser cutting, Bending, Welding, CNC etc
Surface treatment	Zinc plating, Nickel plating, Powder coated, Paint, Brushed, Polishing, Anodized, Hot dip galvanizing etc.
MOQ	100pcs
Size	Customized Size
Certificate	ISO9001:2015
Design	3D/CAD/Dwg/IGS/STP
Package	Bubble Bag+ Carton+ Wooden Box
Application	Metal part in all fields
Service	Customize ODM OEM

#### Application Of Customized High Quality Sheet Metal Fabrication Metal Bracket Manufacturer

1. Construction: Metal angle brackets are extensively used in the construction industry for connecting beams, joists, and rafters. They provide critical support and reinforcement to building structures, ensuring stability and load distribution.
2. Shelving: Angle brackets are widely used as shelf supports for wall-mounted shelves in homes, offices, retail stores, and warehouses. They help create sturdy and reliable shelving systems.
3. Furniture Assembly: Metal angle brackets are essential in furniture assembly, helping to connect components and reinforcing joints in tables, chairs, cabinets, and bed frames.

#### Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control ( IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

### Why Choose Us

#### Our promise

1. Offering design and improvement scheme freely.
2. Offering video and photos with details freely during production.
3. Helping customers to do factory inspection freely for his other Chinese suppliers.
4. Producing completely according to the accuracy of drawings, assembly measurement to detect function and strict quality control to ensure 0 return rate.
5. 99% orders can be ensured delivery time.
6. Quote can be offered within 2 days fastest
7. Delivery time is only 7 days fastest.
8. Responding to the enquiry within 2 hours.
9. The materials we use are optimal.
10. 24 hours online service.
11. The lowest price with the same quality and service.
12. Logistics arrangement with high performance to price ratio.
13. The most suitable packing method to different products.

## Aluminum Material

### Material:

Aluminum 5052  
Aluminum 6061  
Aluminum 6063 etc

### Finish:

Anodic Oxidation  
Polishing  
Powder Coating  
Spray Painting

## Why Choose Us

## Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful  
with accuracy of guarantee the quality and lead time. guarantee fast lead time

## Strictly Confidential

We will protect the customers' design  
and the customer can request a  
confidentiality agreement

## Quality Inspection

We have a strict quality inspection  
process to ensure the quality of our  
products

## Factory Show

## Factory Equipment

WEDM

Milling Machine

CNC Wire Cut

Coordinate measuring machine

CNC Bending Machine

Hydraulic Press Machine

SLS/SLA Machine

5-Axis CNC

CNC Lathe

Laser cutting Machine

CNC Punching Machine

Injection Molding machine

## FAQ

1. How can I get the price? - We usually quote within 24 hours after we get your inquiry (except weekend and holidays). If you are urgent to get the price, please email us or contact us in other ways so that we can offer you a quote.
2. Can I buy samples? - Yes. Please feel free to contact us.
3. What is your lead time? - It depends on the order quantity and the season you place the order. Usually we can ship within 7-15 days for small quantity, and about 30 days for large quantity.
4. What is your payment term? - T/T, Western Union, MoneyGram, and Paypal. This is negotiable.
5. What is the shipping method? - It could be shipped by sea, by air, or by express (EMS, UPS, DHL, TNT, FEDEX etc). Please confirm with us before placing orders.
6. How do you make our business long-term and good relationship? - We keep good quality and competitive price to ensure our customers benefit. Furthermore, we respect every customer as our friend and we sincerely do business and make friends with them, no matter where they come from.
