

Silver Custom Sheet Metal Fabrication Bracket Vendor Laser Cutting Bending Welding Service Factory

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xiange
- Certification: ISO9001:2015
- Model Number: MB-ST-039
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

Product Specification

- Supply Type: OEM Service
- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto,motorcycle,industry,ariculture,furniture,e
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Color: Black, Silver, Customized Color
- Place Of Origin: China
- Highlight: **Bending Custom Sheet Metal Fabrication Bracket**
, Silver Custom Sheet Metal Fabrication Bracket

Product Description

What We Can Provide

Silver Custom Sheet Metal Fabrication Bracket Vendor Laser Cutting Bending Welding Service Fatory

Description Of Customized High Quality Sheet Metal Fabrication Metal Bracket Vendor

A Customized High-Quality Sheet Metal Fabrication Metal Bracket Vendor is a business entity that specializes in designing, manufacturing, and supplying custom-made metal brackets to clients across various industries. This vendor offers a comprehensive range of services tailored to meet the unique requirements of its customers, ensuring that they receive high-quality brackets that are precisely crafted to suit their specific needs.

Expertise in Custom Design: The vendor has a team of experienced engineers and designers who possess deep expertise in creating custom bracket designs that are both functional and aesthetically pleasing. They work closely with clients to understand their specific requirements and develop designs that meet or exceed their expectations.

Advanced Manufacturing Capabilities: The vendor is equipped with modern manufacturing facilities that utilize advanced technologies such as CNC machines, laser cutters, press brakes, and welding robots to produce high-quality brackets with exceptional precision and efficiency.

Rigorous Quality Control: To ensure that each bracket meets the highest standards of quality, the vendor implements rigorous quality control measures throughout the manufacturing process. This includes inspections at every stage of production to verify dimensional accuracy, structural integrity, and surface finish.

Material Selection: The vendor offers a wide range of materials for custom bracket fabrication, including stainless steel, aluminum, mild steel, and other alloys. They can advise clients on the most suitable material for their specific application, taking into account factors such as strength, corrosion resistance, and cost.

Material Of Customized High Quality Sheet Metal Fabrication Metal Bracket Vendor

Material	Stainless steel, Aluminum, Brass, Copper etc.
Process	Stamping, Deep drawing, Laser cutting,Bending, Welding, CNC etc
Surface treatment	Zinc plating, Nickel plating, Powder coated, Paint, Brushed, Polishing, Anodized, Hot dip galvanizing etc.
MOQ	100pcs
Size	Customized Size
Certificate	ISO9001:2015
Design	3D/CAD/Dwg/IGS/STP
Package	Bubble Bag+ Carton+ Wooden Box
Application	Metal part in all fields
Service	Customize ODM OEM

Application Of Customized High Quality Sheet Metal Fabrication Metal Bracket Vendor

1. Construction: Metal angle brackets are extensively used in the construction industry for connecting beams, joists, and rafters. They provide critical support and reinforcement to building structures, ensuring stability and load distribution.
2. Shelving: Angle brackets are widely used as shelf supports for wall-mounted shelves in homes, offices, retail stores, and warehouses. They help create sturdy and reliable shelving systems.
3. Furniture Assembly: Metal angle brackets are essential in furniture assembly, helping to connect components and reinforcing joints in tables, chairs, cabinets, and bed frames.

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Why Choose Us

Advantages

1. Quality control: the defective products rate is 0.1%. Imported material 100%.

2. Reasonable price. Precision made. Experience & reasonable QC that you can rely on.
3. Each part would be given 100% test and tryout before shipment.
4. Adequate supply capacity. Punctual delivery time.

Aluminum Material

Material:

Aluminum 5052
Aluminum 6061
Aluminum 6063 etc

Finish:

Anodic Oxidation
Polishing
Powder Coating
Spray Painting

Why Choose Us

Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful
with accuracy of guarantee the quality and lead time. guarantee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

FAQ

Q1: Where can I get product & price information?

A1: Send us inquiry e-mail, we will contact you as we receive your mail.

Q2: How long can I get the sample?

A2: Depends on your specific items, within 3-7 days is required generally.

Q3: What kinds of information you need for quote?

A3: Kindly please provide the product drawing in PDF, and will be better you can provide in STEP or IGS.

Q4: What are the payment terms?

A4: We accept 50% as payment deposit, when the goods is done, we take photos for your check and you then pay the balance.

Q5: Are you a trading company or factory?

A5: We are direct factory with 10 experienced engineers and more than 650 employees as well approximate 2,000 square ft. workshop area.

Q6: What shall we do if we do not have drawings?

A6: Please send your sample to our factory, then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions (Length, Hight, Width), CAD or 3D file will be made for you if placed order.
