

Stainless Steel Anodized CNC Milling Parts High Precision Customized OEM CNC Milling Spare Parts Manufacturer

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: ML-CNC-064
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000 pcs per week

Product Specification

- Cnc Machining Or Not: CNC Machining
- Type: CNC Milling
- Material Capabilities: Copper, Aluminum, Bronze, Stainless Steel, Brass
- Surface Treatment: Anodized, Anodizing, Anodize/natural, Sandblast, Silk-screen
- Service: OEM/ODM, OEM ODM Metal Stamping, Customized OEM OEM ODM, OEM Service
- Tolerance: 0.01mm, 0.05 Mm, +/-0.005, 0.003-0.05mm
- Application: Machinery, Automotive, Laptop, Industrial Equipment, Engineering
- Color: As Per Customers' Requirement
- Highlight: **High Precision CNC Milling Parts,
Customized OEM CNC Milling Parts,
Stainless Steel Anodized CNC Milling Parts**

Product Description

What We Can Provide

Stainless Steel Anodized CNC Milling Parts High Precision Customized OEM CNC Milling Spare Parts Manufacturer

Description of Custom High Precision OEM CNC Milling Rapid Custom CNC Milling Spare Parts Manufacturer

A Custom High Precision OEM CNC Milling Rapid Custom CNC Milling Spare Parts Supplier is a specialized entity that provides tailored, high-precision CNC milling services for the production of spare parts. These suppliers typically possess advanced machinery, skilled technicians, and rigorous quality control processes to ensure that the spare parts they produce meet or exceed the expectations of their clients.

Custom High Precision CNC Milling:

The supplier specializes in creating bespoke spare parts through high-precision CNC milling. They employ advanced milling machines that can achieve precise tolerances and complex geometries.

Their technicians are highly skilled in programming and operating these machines, ensuring that each part is produced to the exact specifications required by the client.

OEM Services:

As an Original Equipment Manufacturer (OEM), the supplier can produce spare parts that are compatible with existing equipment or machinery.

They often work closely with clients to understand their specific needs and requirements, ensuring that the spare parts they produce are a perfect fit for the application.

Rapid Customization:

The supplier offers rapid customization services, meaning they can quickly adapt to changes in client requirements or produce small batches of spare parts for prototyping or testing purposes.

This flexibility allows clients to quickly get the spare parts they need without having to wait for long production runs.

Specification of Custom High Precision OEM CNC Milling Rapid Custom CNC Milling Spare Parts Manufacturer

Product Name	High Quality Copper Steel Stainless Brass Material CNC Milling Parts Services
Material	Aluminum, Stainless Steel, Copper, Brass, Titanium, Galvanized, Nylon, ABS, POM etc.
Surface Treatment	Zinc Plating, Painting, Mirror Polished, Brush Polished, Powder Coating, Electroplating, Anodizing, Sandblasting etc.
Processing	Laser Cutting, Precision Stamping, Bending, CNC Punching, Threading, Riveting, Drilling, Welding, Painting, Assembly etc.
Drawing Format	3D/CAD/DWG/IGS/STEP/PDF/JPG
OEM Service	Accept

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Application Of Custom High Precision OEM CNC Milling Rapid Custom CNC Milling Spare Parts Manufacturer

1. Auto Components Hardware Parts Auto Parts
2. Communication Equipment
3. Industrial Equipment
4. Medical EquipmentsMechanical Parts
5. Ship Accessories
6. Electrical Equipment
7. Mechanical Equipment

Why Choose Us

Our promise

1. Offering design and improvement scheme freely.
2. Offering video and photos with details freely during production.
3. Helping customers to do factory inspection freely for his other Chinese suppliers.

4. Producing completely according to the accuracy of drawings, assembly measurement to detect function and strict quality control to ensure 0 return rate.
5. 99% orders can be ensured delivery time.
6. Quote can be offered within 2 days fastest
7. Delivery time is only 7 days fastest.
8. Responding to the enquiry within 2 hours.
9. The materials we use are optimal.
10. 24 hours online service.
11. The lowest price with the same quality and service.
12. Logistics arrangement with high performance to price ratio.
13. The most suitable packing method to different products.

FAQ

1. How can I get the price? - We usually quote within 24 hours after we get your inquiry (except weekend and holidays). If you are urgent to get the price, please email us or contact us in other ways so that we can offer you a quote.
2. Can I buy samples? - Yes. Please feel free to contact us.
3. What is your lead time? - It depends on the order quantity and the season you place the order. Usually we can ship within 7-15 days for small quantity, and about 30 days for large quantity.
4. What is your payment term? - T/T, Western Union, MoneyGram, and Paypal. This is negotiable.
5. What is the shipping method? - It could be shipped by sea, by air, or by express (EMS, UPS, DHL, TNT, FEDEX etc). Please confirm with us before placing orders.
6. How do you make our business long-term and good relationship? - We keep good quality and competitive price to ensure our customers benefit. Furthermore, we respect every customer as our friend and we sincerely do business and make friends with them, no matter where they come from.
