

Custom Precision Stamping Bending Sheet Metal Fabrication Metal Customized Mounting Brackets Manufacturer

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: MB-ST-051
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

Product Specification

- Supply Type: OEM Service
- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto,motorcycle,industry,ariculture,furniture,e
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Color: Black, Silver, Customized Color
- Place Of Origin: China
- Highlight: **Metal Customized Mounting Brackets**

Product Description

What We Can Provide

Custom Precision Stamping Bending Sheet Metal Fabrication Metal Customized Mounting Brackets Manufacturer

Description Of Customized High Quality Sheet Metal Fabrication Precision Metal Customized Mounting Brackets Manufacturer

A Customized High-Quality Sheet Metal Fabrication Precision Metal Customized Mounting Brackets Manufacturer is a specialized company that focuses on designing, manufacturing, and supplying custom-made mounting brackets using sheet metal fabrication and precision metalworking techniques.

This manufacturer possesses extensive experience and expertise in sheet metal fabrication, enabling them to create mounting brackets with intricate designs, high precision, and exceptional durability. They utilize state-of-the-art machinery and equipment to ensure the accuracy and consistency of their products.

Customization is a key aspect of their services. Clients can specify the exact dimensions, materials, finishes, and other specifications required for their mounting brackets. This flexibility allows the manufacturer to cater to a wide range of industries and applications, from industrial machinery and equipment to automotive and aerospace components.

Precision metalworking techniques, such as precision stamping, laser cutting, and CNC machining, are employed to create the mounting brackets. These techniques ensure that the brackets are manufactured to exact specifications, with tight tolerances and high repeatability.

Material Of Customized High Quality Sheet Metal Fabrication Precision Metal Customized Mounting Brackets Manufacturer

Material	Stainless steel, Aluminum, Brass, Copper etc.
Process	Stamping, Deep drawing, Laser cutting, Bending, Welding, CNC etc
Surface treatment	Zinc plating, Nickel plating, Powder coated, Paint, Brushed, Polishing, Anodized, Hot dip galvanizing etc.
MOQ	100pcs
Size	Customized Size
Certificate	ISO9001:2015
Design	3D/CAD/Dwg/IGS/STP
Package	Bubble Bag+ Carton+ Wooden Box
Application	Metal part in all fields
Service	Customize ODM OEM

Application Of Customized High Quality Sheet Metal Fabrication Precision Metal Customized Mounting Brackets Manufacturer

1. Construction: Metal angle brackets are extensively used in the construction industry for connecting beams, joists, and rafters. They provide critical support and reinforcement to building structures, ensuring stability and load distribution.
2. Shelving: Angle brackets are widely used as shelf supports for wall-mounted shelves in homes, offices, retail stores, and warehouses. They help create sturdy and reliable shelving systems.
3. Furniture Assembly: Metal angle brackets are essential in furniture assembly, helping to connect components and reinforcing joints in tables, chairs, cabinets, and bed frames.

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Why Choose Us

Advantages

1. Quality control: the defective products rate is 0.1%. Imported material 100%.
2. Reasonable price. Precision made. Experience & reasonable QC that you can rely on.

3. Each part would be given 100% test and tryout before shipment.

4. Adequate supply capacity. Punctual delivery time.

Aluminum Material

Material :

Aluminum 5052

Aluminum 6061

Aluminum 6063 etc

Finish :

Anodic Oxidation

Polishing

Powder Coating

Spray Painting

Why Choose Us

Multiple Machines

5-Axis CNC machine, Professional machines, skillful workers, process skills, and advanced technology guarantee the quality and lead time.

Strictly Confidential

We will protect the customers' design and the customer can request a confidentiality agreement

Quality Inspection

We have a strict quality inspection process to ensure the quality of our products

Factory Show

Factory Equipment

WEDM

Milling Machine

CNC Wire Cut

Coordinate measuring machine

CNC Bending Machine

Hydraulic Press Machine

SLS/SLA Machine

5-Axis CNC

CNC Lathe

Laser cutting Machine

CNC Punching Machine

Injection Molding machine

FAQ

1. How can I get the price? - We usually quote within 24 hours after we get your inquiry (except weekend and holidays). If you are urgent to get the price, please email us or contact us in other ways so that we can offer you a quote.
2. Can I buy samples? - Yes. Please feel free to contact us.
3. What is your lead time? - It depends on the order quantity and the season you place the order. Usually we can ship within 7-15 days for small quantity, and about 30 days for large quantity.
4. What is your payment term? - T/T, Western Union, MoneyGram, and Paypal. This is negotiable.
5. What is the shipping method? - It could be shipped by sea, by air, or by express (EMS, UPS, DHL, TNT, FEDEX etc). Please confirm with us before placing orders.
6. How do you make our business long-term and good relationship? - We keep good quality and competitive price to ensure our customers benefit. Furthermore, we respect every customer as our friend and we sincerely do business and make friends with them, no matter where they come from.
