

Customized Metal Aluminum Turning Machining Service CNC Milling Stainless Steel Elements Supplier

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: ST-CNC-066
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers' packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000 pcs per week

Product Specification

- Cnc Machining Or Not: CNC Machining
- Type: Milling, Turning, Machining
- Material Capabilities: Copper, Aluminum, Bronze, Stainless Steel, Brass
- Surface Treatment: Anodized, Anodizing, Anodize/natural, Sandblast, Silk-screen
- Application: Machinery, Automotive, Laptop, Industrial Equipment, Engineering
- Tolerance: 0.01mm, 0.05 Mm, +/-0.005, 0.003-0.05mm
- Service: Customized OEM
- Keyword: Stainless Steel Milling Parts
- Quality Control: 100% Inspection Before Shipment, 100% Full Inspection
- Highlight: **CNC Milling Stainless Steel Elements, Customized Metal Aluminum Turning Machining**

Product Description

What We Can Provide

Customized Metal Aluminum Turning Machining Service CNC Milling Stainless Steel Elements Supplier

Description of High Precision Customized Stainless Steel CNC Parts CNC Stainless Steel Elements Supplier

A High Precision Customized Stainless Steel CNC Parts and CNC Stainless Steel Products Manufacturer is a specialized entity that specializes in the production of stainless steel components and products through Computer Numerical Control (CNC) machining processes. These manufacturers offer a range of services that cater to the needs of clients seeking high-precision, customized stainless steel parts.

Advanced CNC Machining Technology:

Utilizes cutting-edge CNC machines that are capable of producing stainless steel parts with exceptional precision and accuracy.

Machines are equipped with advanced software for CAD/CAM integration, ensuring seamless transition from design to production.

Customization and Flexibility:

Offers tailored solutions based on clients' specific requirements, from design conceptualization to final production.

Supports clients throughout the design process, providing recommendations and expertise to optimize part functionality and cost-effectiveness.

Capable of handling both small-batch and large-scale production runs, providing flexibility to meet a wide range of client needs.

Material Expertise:

Specializes in working with high-grade stainless steel materials, which offer excellent corrosion resistance, strength, and durability.

Ensures that all materials meet or exceed industry standards and client specifications.

Specification of High Precision Customized Stainless Steel CNC Parts CNC Stainless Steel Elements Supplier

Custom Metal Solutions

Candle Holders/Cups	Medical Containers	Metal End Covers	Mobile Phone Shells
Crafts Stamping Parts	Tablewares	Aluminum Lids	Cabinet Enclosures
Lighting Stamping Parts	Filters/Strainers	Cosmetic Caps	Furniture Accessories
Metal Brackets/Stand	Protective Shields	Essential Oil Caps	Door&Window Fittings
Electronic Components	Sheet Metal Panels	Perfume Caps	Shafts/Sleeves/Gears
Electrical Connections	Cooling Fins	Wine Bottle Caps	Fasteners
Metal Structures	Metal Contact Clips	Jar Caps	Machinery Parts
Car Spare Parts	Motor Spare Parts	Glass Bottle Caps	Pipe Fittings/Elbows

Application Of High Precision Customized Stainless Steel CNC Parts CNC Stainless Steel Elements Supplier

1. Auto Components Hardware Parts Auto Parts
2. Communication Equipment
3. Industrial Equipment
4. Medical EquipmentsMechanical Parts
5. Ship Accessories
6. Electrical Equipment
7. Mechanical Equipment

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Why Choose Us

Advantages

1. Quality control: the defective products rate is 0.1%. Imported material 100%.
2. Reasonable price. Precision made. Experience & reasonable QC that you can rely on.

3. Each part would be given 100% test and tryout before shipment.

4. Adequate supply capacity. Punctual delivery time.

FAQ

1. How can I get the price? - We usually quote within 24 hours after we get your inquiry (except weekend and holidays). If you are urgent to get the price, please email us or contact us in other ways so that we can offer you a quote.
2. Can I buy samples? - Yes. Please feel free to contact us.
3. What is your lead time? - It depends on the order quantity and the season you place the order. Usually we can ship within 7-15 days for small quantity, and about 30 days for large quantity.
4. What is your payment term? - T/T, Western Union, MoneyGram, and Paypal. This is negotiable.
5. What is the shipping method? - It could be shipped by sea, by air, or by express (EMS, UPS, DHL, TNT, FEDEX etc). Please confirm with us before placing orders.
6. How do you make our business long-term and good relationship? - We keep good quality and competitive price to ensure our customers benefit. Furthermore, we respect every customer as our friend and we sincerely do business and make friends with them, no matter where they come from.
