

Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Supplier

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: MB-ST-059
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers' packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

Product Specification

- Supply Type: OEM Service
- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto, motorcycle, industry, agriculture, furniture, etc.
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Color: Black, Silver, Customized Color
- Place Of Origin: China
- Highlight: **Functional Durable Metal Brackets, Precision Stamping Metal Brackets, Mounting Solutions Metal Brackets**

Product Description

What We Can Provide

Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Supplier

Description Of Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Supplier

Our brackets are designed with functionality at their core. Whether you need brackets for industrial machinery, automotive components, electronic devices, or any other application, we can provide solutions that fit seamlessly into your existing systems and enhance their overall performance. Our expert engineering team works closely with you to understand your specific requirements and deliver brackets that are optimized for your unique use case.

Durability is another hallmark of our brackets. We use high-grade metals and advanced manufacturing processes to create brackets that withstand the rigors of daily use and maintain their integrity over time. Our brackets are built to last, ensuring that you get the most value for your investment.

As a trusted supplier, we take pride in our ability to offer customized solutions that cater to the diverse needs of our clients. From design and prototyping to manufacturing and delivery, we handle every aspect of the process in-house to ensure consistent quality and timely delivery. Our dedicated customer service team is always available to provide support and assistance, ensuring that your experience with us is seamless and satisfactory.

Material Of Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Supplier

Material	Stainless steel, Aluminum, Brass, Copper etc.
Process	Stamping, Deep drawing, Laser cutting, Bending, Welding, CNC etc
Surface treatment	Zinc plating, Nickel plating, Powder coated, Paint, Brushed, Polishing, Anodized, Hot dip galvanizing etc.
MOQ	100pcs
Size	Customized Size
Certificate	ISO9001:2015
Design	3D/CAD/Dwg/IGS/STP
Package	Bubble Bag+ Carton+ Wooden Box
Application	Metal part in all fields
Service	Customize ODM OEM

Application Of Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Supplier

1. Construction: Metal angle brackets are extensively used in the construction industry for connecting beams, joists, and rafters. They provide critical support and reinforcement to building structures, ensuring stability and load distribution.
2. Shelving: Angle brackets are widely used as shelf supports for wall-mounted shelves in homes, offices, retail stores, and warehouses. They help create sturdy and reliable shelving systems.
3. Furniture Assembly: Metal angle brackets are essential in furniture assembly, helping to connect components and reinforcing joints in tables, chairs, cabinets, and bed frames.

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Why Choose Us

Our promise

1. Precision and Accuracy:

The supplier utilizes state-of-the-art precision stamping technology to ensure that each bracket is accurately and efficiently produced to the highest standards of quality. This attention to detail results in brackets that are dimensionally accurate and fit seamlessly into your existing systems, ensuring optimal performance and reliability.

2. Functional Customization:

The supplier offers customized solutions tailored to meet the unique needs and specifications of each client. Their expert engineering team works closely with you to understand your specific requirements and deliver brackets that are optimized for

your unique use case, enhancing the overall functionality of your application.

3. Durability and Longevity:

The brackets produced by the supplier are built to last. They use high-grade metals and advanced manufacturing processes to create brackets that withstand the rigors of daily use and maintain their integrity over time. This ensures that you get the most value for your investment and can rely on the brackets to perform consistently and reliably throughout their lifespan.

Aluminum Material

Material:

Aluminum 5052
Aluminum 6061
Aluminum 6063 etc

Finish:

Anodic Oxidation
Polishing
Powder Coating
Spray Painting

Why Choose Us

Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful
With accuracy of guarantee the quality and lead time. guarantee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

FAQ

Q: How can I customize my products ?

A: Please describe your project. Include the following information so that we can provide an accurate quote: Part Name, 3D CAD Drawing, Quantity, Material, Color, Finishing.

Q: How can I know my products going on ?

A: We will offer a detailed production schedule and send weekly reports with digital pictures and videos which show the production process.

Q: Can You sign a confidentiality greement ?

A: We can sign a confidentiality agreement according to your needs.

Q: What is your terms of payment ?

A: 30% in advance ,70% balance before shipment. Other terms negotiable.

Q: Are you a trading company or factory?

A: We are direct factory with 20 experienced engineers and more than 80 employees as well approximate 3,000 square meters workshop area.

Q: What shall we do if we do not have drawings?

A: Please send your sample to our factory,then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions(Length, Height, Width), CAD or 3D file will be made for you if placed order.
