

Precision Stamping Custom Metal Brackets Functional Durable Mounting Solutions for Black Packing Details

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: MB-ST-060
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

Product Specification

- Supply Type: OEM Service
- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto,motorcycle,industry,ariculture,furniture,e
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Color: Black, Silver, Customized Color
- Place Of Origin: China
- Highlight: **Functional Custom Metal Brackets, Precision Stamping Custom Metal Brackets, Durable Custom Metal Brackets**

Product Description

What We Can Provide

Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Manufacturer

Description Of Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Manufacturer

Our manufacturing process begins with a thorough understanding of your specific requirements. Our expert engineering team works closely with you to gather detailed specifications and develop a custom design that meets your unique needs. From there, we utilize state-of-the-art precision stamping technology to create brackets that are accurately and efficiently produced to the highest standards of quality.

In addition to our precision stamping capabilities, we also offer a range of value-added services such as coating, plating, and assembly to further enhance the functionality and durability of our brackets. Our dedicated team of manufacturing experts handles every aspect of the process in-house, from design and prototyping to manufacturing and delivery, ensuring consistent quality and timely delivery.

As a trusted manufacturer, we are committed to delivering customized solutions that cater to the diverse needs of our clients. Our focus on precision, functionality, and durability sets us apart in the industry, and we are proud to offer brackets that exceed expectations and drive the success of your projects. Contact us today to learn more about our products and services and see how we can help you achieve your manufacturing goals.

Material Of Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Manufacturer

Material	Stainless steel, Aluminum, Brass, Copper etc.
Process	Stamping, Deep drawing, Laser cutting, Bending, Welding, CNC etc
Surface treatment	Zinc plating, Nickel plating, Powder coated, Paint, Brushed, Polishing, Anodized, Hot dip galvanizing etc.
MOQ	100pcs
Size	Customized Size
Certificate	ISO9001:2015
Design	3D/CAD/Dwg/IGS/STP
Package	Bubble Bag+ Carton+ Wooden Box
Application	Metal part in all fields
Service	Customize ODM OEM

Application Of Custom Metal Brackets Precision Stamping Mounting Solutions Functional Durable Brackets Manufacturer

1. Construction: Metal angle brackets are extensively used in the construction industry for connecting beams, joists, and rafters. They provide critical support and reinforcement to building structures, ensuring stability and load distribution.
2. Shelving: Angle brackets are widely used as shelf supports for wall-mounted shelves in homes, offices, retail stores, and warehouses. They help create sturdy and reliable shelving systems.
3. Furniture Assembly: Metal angle brackets are essential in furniture assembly, helping to connect components and reinforcing joints in tables, chairs, cabinets, and bed frames.

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Why Choose Us

Our promise

1. Customized Solutions:

The manufacturer offers customized solutions tailored to meet the unique needs and specifications of each client. This ensures that the brackets produced are optimized for the specific application, enhancing the overall functionality and performance of your system. Whether you need brackets for industrial machinery, automotive components, or any other use, the manufacturer can provide a custom design that meets your exact requirements.

2. Precision and Accuracy:

The manufacturer utilizes state-of-the-art precision stamping technology to ensure that each bracket is accurately and efficiently produced to the highest standards of quality. This attention to detail results in brackets that are dimensionally accurate and fit seamlessly into your existing systems, providing reliable performance and reducing the risk of errors or failures.

3. Durability and Longevity:

The brackets produced by the manufacturer are built to last. They use high-grade metals and advanced manufacturing processes to create brackets that withstand the rigors of daily use and maintain their integrity over time. This ensures that you get the most value for your investment and can rely on the brackets to perform consistently and reliably throughout their lifespan, reducing the need for frequent replacements or repairs.

Aluminum Material

Material:

Aluminum 5052
Aluminum 6061
Aluminum 6063 etc

Finish:

Anodic Oxidation
Polishing
Powder Coating
Spray Painting

Why Choose Us

Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful
with accuracy of guarantee the quality and lead time. guarantee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

FAQ

Q1: Where can I get product & price information?

A1: Send us inquiry e-mail, we will contact you as we receive your mail.

Q2: How long can I get the sample?

A2: Depends on your specific items, within 3-7 days is required generally.

Q3: What kinds of information you need for quote?

A3: Kindly please provide the product drawing in PDF, and will be better you can provide in STEP or IGS.

Q4: What are the payment terms?

A4: We accept 50% as payment deposit, when the goods is done, we take photos for your check and you then pay the balance.

Q5: Are you a trading company or factory?

A5: We are direct factory with 10 experienced engineers and more than 650 employees as well approximate 2,000 square ft. workshop area.

Q6: What shall we do if we do not have drawings?

A6: Please send your sample to our factory, then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions (Length, Hight, Width), CAD or 3D file will be made for you if placed order.
