

Custom Metal Brackets Precision Stamping Sheet Metal Fabrication Mounting Solutions Provider

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: MB-ST-058
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

Product Specification

- Supply Type: OEM Service
- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto,motorcycle,industry,ariculture,furniture,e
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Color: Black, Silver, Customized Color
- Place Of Origin: China
- Highlight: **Mounting Solutions Metal Brackets, Custom Metal Brackets**

Product Description

What We Can Provide

Custom Metal Brackets Precision Stamping Sheet Metal Fabrication Mounting Solutions Provider

Description Of Custom Metal Brackets Precision Stamping Sheet Metal Fabrication Mounting Solutions Provider

A Custom Metal Brackets Precision Stamping Sheet Metal Fabrication Mounting Solutions Provider specializes in creating bespoke metal brackets, utilizing precision stamping techniques for sheet metal fabrication. This type of provider offers comprehensive mounting solutions tailored to meet the specific needs of various industries, such as automotive, electronics, aerospace, and more.

Material Of Custom Metal Brackets Precision Stamping Sheet Metal Fabrication Mounting Solutions Provider

Material	Stainless steel, Aluminum, Brass, Copper etc.
Process	Stamping, Deep drawing, Laser cutting, Bending, Welding, CNC etc
Surface treatment	Zinc plating, Nickel plating, Powder coated, Paint, Brushed, Polishing, Anodized, Hot dip galvanizing etc.
MOQ	100pcs
Size	Customized Size
Certificate	ISO9001:2015
Design	3D/CAD/Dwg/IGS/STP
Package	Bubble Bag+ Carton+ Wooden Box
Application	Metal part in all fields
Service	Customize ODM OEM

Application Of Custom Metal Brackets Precision Stamping Sheet Metal Fabrication Mounting Solutions Provider

1. Construction: Metal angle brackets are extensively used in the construction industry for connecting beams, joists, and rafters. They provide critical support and reinforcement to building structures, ensuring stability and load distribution.
2. Shelving: Angle brackets are widely used as shelf supports for wall-mounted shelves in homes, offices, retail stores, and warehouses. They help create sturdy and reliable shelving systems.
3. Furniture Assembly: Metal angle brackets are essential in furniture assembly, helping to connect components and reinforcing joints in tables, chairs, cabinets, and bed frames.

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Why Choose Us

Our advantages

1. **Precision and Accuracy:** Precision stamping allows for the creation of highly accurate and intricate metal brackets. This ensures that the brackets fit perfectly and function as intended, reducing the risk of errors or malfunctions in the final product. The accuracy of the stamping process also leads to consistent quality in the brackets, which can be crucial in applications where reliability is paramount.
2. **Customization and Flexibility:** By working with a provider that specializes in custom metal brackets, clients can obtain brackets that are specifically designed to meet their unique needs. This flexibility allows for the creation of brackets that are optimized for specific applications, ensuring that they are both effective and efficient. The ability to customize brackets also means that clients can obtain brackets in a variety of sizes, shapes, and materials to suit their particular requirements.
3. **Cost-Effective Production:** Precision stamping is a highly efficient manufacturing process, allowing for the production of large quantities of brackets in a short period of time. This can lead to significant cost savings, as the provider can leverage economies of scale to reduce the per-unit cost of the brackets. Additionally, the precision of the stamping process minimizes waste and scrap, further reducing costs and improving overall productivity.

Aluminum Material

Material:

Aluminum 5052
Aluminum 6061
Aluminum 6063 etc

Finish:

Anodic Oxidation
Polishing
Powder Coating
Spray Painting

Why Choose Us

Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful
with accuracy of guarantee the quality and lead time. guarantee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

FAQ

Q: How can I customize my products ?

A: Please describe your project. Include the following information so that we can provide an accurate quote: Part Name, 3D CAD Drawing, Quantity, Material, Color, Finishing.

Q: How can I know my products going on ?

A: We will offer a detailed production schedule and send weekly reports with digital pictures and videos which show the production process.

Q: Can You sign a confidentiality greement ?

A: We can sign a confidentiality agreement according to your needs.

Q: What is your terms of payment ?

A: 30% in advance ,70% balance before shipment. Other terms negotiable.

Q: Are you a trading company or factory?

A: We are direct factory with 20 experienced engineers and more than 80 employees as well approximate 3,000 square meters workshop area.

Q: What shall we do if we do not have drawings?

A: Please send your sample to our factory,then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions(Length, Height, Width), CAD or 3D file will be made for you if placed order.
