

## OEM Sheet Metal Shell Fabrication Laser Cutting Bending Custom Parts Services Components Manufacturer

### Our Product Introduction

for more products please visit us on [cnc-metalmachining.com](http://cnc-metalmachining.com)

#### Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: PMS-XG-072
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers' packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

#### Product Specification

- Material: Copper, Stainless Steel, Aluminum, Brass, Etc.
- Surface Treatment: Hot Galvanized, Zinc Plating, Nickel Plating, Powder Plating, Anodize
- Process: Stamping, Punching, Bending, Punching Of Stamping Blanks, Stamping + CNC
- Application: Construction, Industrial, Used Widely Industry Auto, Mechanical Equipment, Auto Parts
- Service: OEM/ODM, OEM ODM Metal Stamping, Customized OEM OEM ODM, OEM Service
- Tolerance: 0.01mm, 0.05 Mm, +/-0.005, 0.003-0.05mm
- Oem: Available
- Quality: ISO9001
- Keywords: Custom Stamping Metal
- Packing: As Customers' Requirement
- Highlight: **OEM Sheet Metal Shell,**

## Product Description

### What We Can Provide

OEM Sheet Metal Shell Fabrication Laser Cutting Bending Custom Parts Services Components Manufacturer

#### Description of OEM Sheet Metal Shell Fabrication Laser Cutting Bending Custom Parts Services Components Manufacturer

OEM Sheet Metal Shell Fabrication, Laser Cutting, Bending, and Custom Parts Services Components Manufacturer is a company that specializes in producing customized sheet metal components for original equipment manufacturers (OEMs). This manufacturer offers a comprehensive range of services, from design and prototyping to fabrication, including laser cutting, bending, and assembly, to create bespoke metal shells and parts tailored to specific requirements.

#### Specification of OEM Sheet Metal Shell Fabrication Laser Cutting Bending Custom Parts Services Components Manufacturer

|                   |  |
|-------------------|--|
| Name              | Custom OEM Laser Cutting Sheet Metal Fabrication Services Copper Stainless Steel Anodised Aluminum Metal Stamping bending Parts  |
| Material          | Zn-plating, Ni-plating, Cr-plating, Tin-plating, copper-plating, the wreath oxygen resin spraying, the heat disposing, hot-dip galvanizing, black oxide coating, painting, powdering, color zinc-plated, blue black zinc-plated, rust preventive oil, titanium alloy galvanized, silver plating, plastic, electroplating, anodizing etc. |
| Applications      | Automotive, instrument, electrical equipment, household appliances, furniture, mechanical equipment, daily living equipment, electronic sports equipment, light industry products, sanitation machinery, market/ hotel equipment supplies, artware etc.  |
| Packaging         | Regular: Paper, Foam, OPP bag, Carton; Other: According to customers' requirements   |
| Testing Equipment | Projecting apparatus, Salt Spray Test, Durometer, and Coating thickness tester   |
| Tolerance         | ±0.01-0.05mm   |
| Drawing           | JPG, PDF, CAD, DWG, STP, STEP  |

#### Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control ( IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

#### Application Of OEM Sheet Metal Shell Fabrication Laser Cutting Bending Custom Parts Services Components Manufacturer

1. Auto Components Hardware Parts Auto Parts
2. Communication Equipment
3. Industrial Equipment
4. Medical EquipmentsMechanical Parts
5. Ship Accessories
6. Electrical Equipment
7. Mechanical Equipment

### Why Choose Us

#### Advantages

##### 1. Customized Solutions:

The manufacturer offers extensive customization options, enabling OEMs to create unique components that align perfectly with their product designs and specifications. This includes options for material selection, thickness, finish, and intricate shapes and features, ensuring that the final product meets exact needs and stands out in the market.

##### 2. Advanced Fabrication Technology:

By utilizing state-of-the-art laser cutting and bending technology, the manufacturer ensures that components are produced with high precision and accuracy. This advanced technology allows for intricate cutting patterns, tight tolerances, and smooth bends, resulting in components with superior fit, function, and aesthetics.

##### 3. End-to-End Manufacturing Capabilities:

The manufacturer provides a one-stop-shop for all sheet metal fabrication needs, from design and prototyping to full-scale

production. This end-to-end service ensures that the entire manufacturing process is streamlined and efficient, reducing lead times and costs. Additionally, having all services under one roof facilitates better communication and collaboration, ensuring that the final product meets or exceeds expectations.

## Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful  
with accuracy of guarantee the quality and lead time. fastest lead time

## Strictly Confidential

We will protect the customers' design  
and the customer can request a  
confidentiality agreement

## Quality Inspection

We have a strict quality inspection  
process to ensure the quality of our  
products

# Stainless Steel Material

## Material:

Stainless Steel 201  
Stainless Steel 430  
Stainless Steel 304  
Stainless Steel 316

## Finish:

Mirror Polishing  
Brush Polishing  
Electro Polishing  
Vibration Polishing

## FAQ

Q: How can I customize my products ?

A: Please describe your project. Include the following information so that we can provide an accurate quote: Part Name, 3D CAD Drawing, Quantity, Material, Color, Finishing.

Q: How can I know my products going on ?

A: We will offer a detailed production schedule and send weekly reports with digital pictures and videos which show the production process.

Q: Can You sign a confidentiality agreement ?

A: We can sign a confidentiality agreement according to your needs.

Q: What is your terms of payment ?

A: 30% in advance ,70% balance before shipment. Other terms negotiable.

Q: Are you a trading company or factory?

A: We are direct factory with 20 experienced engineers and more than 80 employees as well approximate 3,000 square meters workshop area.

Q: What shall we do if we do not have drawings?

A: Please send your sample to our factory,then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions(Length, Height, Width), CAD or 3D file will be made for you if placed order.
