

Precision Metal Aluminum Stainless Steel Carbon Steel Stamping Bending Service Brackets Supplier

Our Product Introduction

for more products please visit us on cnc-metalmachining.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: Xianheng
- Certification: ISO9001:2015
- Model Number: MB-ST-061
- Minimum Order Quantity: 1 pcs
- Price: USD \$0.1-\$1.99
- Packaging Details: Carton, As Customers'packaging requirements
- Delivery Time: Samples 7-10 days, Mass production 20-25 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 50000 pcs per week

Product Specification

- Supply Type: OEM Service
- Material Capabilities: Stainless Steel, Brass, Aluminum, Steel
- Process: Bending, Laser Cutting, Welding, Stamping
- Application: Auto,motorcycle,industry,ariculture,furniture,e
- Packing Details: Carton, Wooden Case, Plastic Cargo
- Color: Black, Silver, Customized Color
- Place Of Origin: China
- Highlight: **Precision Metal Aluminum Brackets,
Precision Metal Carbon Steel Brackets,
Precision Metal Stainless Steel Brackets**

Product Description

What We Can Provide

Precision Metal Aluminum Stainless Steel Carbon Steel Stamping Bending Service Brackets Supplier

Description Of Precision Metal Aluminum Stainless Steel Carbon Steel Stamping Bending Service Brackets Supplier

A Precision Metal Aluminum, Stainless Steel, and Carbon Steel Stamping and Bending Service Brackets Supplier is a company that specializes in manufacturing and supplying brackets through precision stamping and bending processes using materials like aluminum, stainless steel, and carbon steel. This supplier offers a comprehensive range of brackets tailored to meet the diverse needs of its customers across various industries.

Material Of Precision Metal Aluminum Stainless Steel Carbon Steel Stamping Bending Service Brackets Supplier

Material	Stainless steel, Aluminum, Brass, Copper etc.
Process	Stamping, Deep drawing, Laser cutting, Bending, Welding, CNC etc
Surface treatment	Zinc plating, Nickel plating, Powder coated, Paint, Brushed, Polishing, Anodized, Hot dip galvanizing etc.
MOQ	100pcs
Size	Customized Size
Certificate	ISO9001:2015
Design	3D/CAD/Dwg/IGS/STP
Package	Bubble Bag+ Carton+ Wooden Box
Application	Metal part in all fields
Service	Customize ODM OEM

Application Of Precision Metal Aluminum Stainless Steel Carbon Steel Stamping Bending Service Brackets Supplier

1. Construction: Metal angle brackets are extensively used in the construction industry for connecting beams, joists, and rafters. They provide critical support and reinforcement to building structures, ensuring stability and load distribution.
2. Shelving: Angle brackets are widely used as shelf supports for wall-mounted shelves in homes, offices, retail stores, and warehouses. They help create sturdy and reliable shelving systems.
3. Furniture Assembly: Metal angle brackets are essential in furniture assembly, helping to connect components and reinforcing joints in tables, chairs, cabinets, and bed frames.

Quality Control

1. Checking the raw material after they reach our factory----- Incoming quality control (IQC)
2. Checking the details before the production line operated
3. Have full inspection and routing inspection during mass production---In process quality control(IPQC)
4. Checking the goods after they are finished---- Final quality control(FQC)
5. Checking the goods after they are finished-----Outgoing quality control(OQC)

Why Choose Us

Our advantages

- 1. Expertise and Reliability:** With a focus on precision metal stamping and bending, this supplier possesses deep expertise in manufacturing high-quality brackets. Their experience and advanced manufacturing techniques ensure reliability and consistency in product quality, providing customers with brackets that are durable and functional.
- 2. Material Options and Customization:** By offering brackets made from aluminum, stainless steel, and carbon steel, this supplier can cater to a wide range of customer needs. The ability to customize brackets based on specific requirements, such as size, shape, and design, further enhances its appeal. Customers can benefit from brackets that are tailored to their unique specifications, ensuring optimal performance and fit.
- 3. Efficient Production and Timely Delivery:** This supplier leverages advanced manufacturing technologies and streamlined processes to ensure efficient production. This enables them to deliver brackets in a timely manner, meeting customer deadlines and reducing lead times. With a focus on customer satisfaction, they prioritize quick turnaround times and excellent service to maintain long-term business relationships.

Aluminum Material

Material:

Aluminum 5052
Aluminum 6061
Aluminum 6063 etc

Finish:

Anodic Oxidation
Polishing
Powder Coating
Spray Painting

Why Choose Us

Multiple Machines

5-Axis CNC & Imp Professional machines, skillful workers, machines, skillful
with accuracy of guarantee the quality and lead time. guarantee fast lead time

Strictly Confidential

We will protect the customers' design
and the customer can request a
confidentiality agreement

Quality Inspection

We have a strict quality inspection
process to ensure the quality of our
products

FAQ

Q: How can I customize my products ?

A: Please describe your project. Include the following information so that we can provide an accurate quote: Part Name, 3D CAD Drawing, Quantity, Material, Color, Finishing.

Q: How can I know my products going on ?

A: We will offer a detailed production schedule and send weekly reports with digital pictures and videos which show the production process.

Q: Can You sign a confidentiality greement ?

A: We can sign a confidentiality agreement according to your needs.

Q: What is your terms of payment ?

A: 30% in advance ,70% balance before shipment. Other terms negotiable.

Q: Are you a trading company or factory?

A: We are direct factory with 20 experienced engineers and more than 80 employees as well approximate 3,000 square meters workshop area.

Q: What shall we do if we do not have drawings?

A: Please send your sample to our factory, then we can copy or provide you better solutions. Please send us pictures or drafts with dimensions (Length, Height, Width), CAD or 3D file will be made for you if placed order.
